September 2015

Hello!

We are writing to ask for your participation in the Be Aware Foundation's eighth annual "Stomp Out Breast Cancer" event, which will be held **Sunday, October 11, 2015, from 1-5 pm**, at the beautiful Oak Creek Golf Club in Irvine.

This fund-raising event will feature wine and beer tasting, Classy Chassis car show, auctions, great food, live music and the "barrels of fun" grape stomp contest.

We invite you to showcase your business by donating to our Live or Silent Auctions (merchandise, gift baskets, tickets, gift certificates). Your company will be acknowledged at the event and listed on the Be Aware Foundation website.

The Be Aware Foundation's mission is educating women to be aware of breast health behaviors that reduce risk and lead to the early detection of breast cancer. Our volunteer RNs and breast cancer survivors deliver a compelling and educational program to companies, agencies and other groups of women free of charge. We are able to offer this essential program in large part because of the generosity of donors like you.

Please complete the Auction Donation Form and return to us.

Thank you for your consideration. We look forward to hearing from you.

Best regards,

John West, M.D.
Chairman of the Board

Joan Rullo
Event Chair

Our mission is educating women to be aware of breast health behaviors that reduce risk and lead to the early detection of breast cancer.
