September 2015

Hello.

We are writing to ask for your participation in the Be Aware Foundation's eighth annual "Stomp Out Breast Cancer" event, which will be held **Sunday, October 11, 2015, from 1-5 pm**, at the beautiful Oak Creek Golf Club in Irvine.

## Advisory Board

Robert Clemmons  
Kristi Maya  
Joan Rullo  
Music Sprouse  
Jan West

This fund-raising event will feature wine and beer tasting, Classy Chassis car show, auction, great food, live music and the "barrels of fun" grape stomp contest.

As a participating winery or brewery, you will have the opportunity to showcase your product to the hundreds of guests attending the event. We encourage you to attend and pour your wine or beer, but if you are unable to provide staff to do this, we have volunteers available to help. Your company will be acknowledged at the event and listed on the Be Aware Foundation website.

**The Be Aware Foundation's mission is educating women to be aware of breast health behaviors that reduce risk and lead to the early detection of breast cancer.** Our volunteer RNs and breast cancer survivors deliver a compelling and educational program to companies, agencies and other groups of women free of charge. We are able to offer this essential program in large part because of the generosity of donors like you.

We hope you will accept this invitation and join us on October 11.

Thank you for your consideration.

Best regards,

John West, M.D.  
Chairman of the Board

Joan Rullo  
Event Chair
